Installing KDC USB Driver

# KOAMTAC Fundamentals

## Installing KDC USB Driver

Be sure your KDC is disconnected before installing the KDC USB driver. On your PC, go to koamtac.com, under Support>Downloads>Driver/Setup. Select & download the Windows XP/Vista/7/8 under Drivers.

Drivers/Setup

Drivers

Windows XP/Vista/7/8

Windows PC Setup Program

Extract files and run the setup application (**DO NOT** run the KDC\_driver.MSI option).

Name	Type	Compressed size	Password ...	Size
KDC_Driver	Windows Installer Package	675 KB	No	
KDC_Driver_Installation_Guide	Adobe Acrobat Document	543 KB	No	
Setup	Application	8 KB	No
